EXPERIENCE

Corizo, Bengaluru — Intern, *Full Stack Web Developer*

Sep 2023 - Nov 2023

- .Proficiently developed a CRUD (Create, Read, Update, Delete) application using HTML and CSS for the frontend.

- Developed and implemented a highly performant backend infrastructure using Node.js and Express, facilitating seamless communication between frontend and MongoDB database, resulting in a 40% reduction in server response time and improved overall user experience.

- Utilized MongoDB for robust and scalable data storage, ensuring seamless CRUD operations including updates, deletions, and inserts, while prioritizing security.
